

### **Dixie Volleyball in Pink**

After all bills were paid, the Dixie volleyball team netted \$526 for their Cancer Awareness game on October 3, 2011. The team wore pink for this game against Crescent. Of this profit, \$100 was given to Margaret Singleton (a relative of a volleyball player) to help with gas to get her to Columbia to have her treatments.

\$200 was donated to Alan Pressley, a Due West resident, undergoing cancer treatments at this time.

\$226 was donated to Hospice of Anderson in memory of Roxie Ashley.

The team appreciates everyone who came and supported their event. All of the donations helped make this a successful event.
