Superintendent's Message

Even in difficult and challenging financial times, the 2009-2010 school year proved to be another very productive year for Abbeville County Schools. We continue to be proud of test scores and academic improvement efforts. The district will continue to focus on meeting the needs of all of our students. This success is a direct result of the quality of our students, the support of our parents and the dedication and commitment of our faculty, staff and administrators.

Our Focus

Vision

Abbeville County School District will be a model of excellence in education.

Mission

The mission of the Abbeville County School District is to develop proficient, creative, self-motivated students by providing quality educational opportunities in a safe, nurturing environment, which supports innovations and lifelong learning.

We believe that.....

- all individuals have worth and dignity.
- respect for all should be modeled and encouraged.
- quality education depends on involvement and shared responsibility of parents, students, educators and community.
- education is the foundation of the community.
- lifelong learning is the key to the future.
- effective teachers are essential for student success.
- every child has a right to a quality education that meets the student's individual needs.
- discipline is a vital part of education.
